About Us

PAN AM Packers and Movers, an **ISO 9001:2008** certified company, established in **1991** is one of the leading firms on the horizon of commercial and household effects, as associated with our logistics division of **SOUTHERN ROADLINES (INDIA)** established in **1977** which is a renowned name in the transport industry.

We have many service locations spread all over India. We provide you the best possible solutions for all kind of Packing and Moving services such as **Local Shifting, Inter city and International Relocation, Car Transportation, Industrial Packing, Vacuum Packaging, Insurance and Warehousing etc.**

We are dedicated towards providing economical, prompt and customized solutions to our customers. Moreover, we always exceed the expectations of our customers with the virtue of our efficient and trustworthy service.

Our team is professionally trained to handle every service that we offer and we are well equipped to deliver best results every time you have a relocation.

"We pay attention to the smallest of details, you may overlook something but we will ensure Reliability, Precision and Safety for your goods."

Our Motto

"To make your move Stress free, Systematic and Quick with the help of our Efficient and Customised Services"

Services

PAN AM Packers & Movers provides the finest quality services for all consignments whether its big in size or small. Understanding every single need of our valued customers, we plan every single move in the most thoughtful and planned manner.

Our overall approach includes-

- **Customised Solutions**
- **Customer Focussed Approach**
- **Superior Quality Products**
- **Timely Deliveries**
- **Competitive Prices**

PACKING & MOVING SERVICE

In every kind of relocation situation, careful packaging of goods is very important to prevent damages during transportation. Our highly skilled and experienced team ensures safety and protection of every packed good by using good quality packing materials. Our expert packers pack your goods in such ways so that your goods can reach their respective destination safe and secure. After packing your valuable goods, we arrange for their transportation. We have our own vehicles for transportation.

LOADING & UNLOADING SERVICE

The process of loading and unloading is very critical in all kinds of relocation & shifting situation. The process is risky and should be done carefully to prevent the goods being damaged.

So to solve your problem, we at PAN AM Packers & Movers offer highly organised, systemic and reliable loading and unloading services.

CAR TRANSPORTATION SERVICE

We offer reliable and efficient car carrier services. We assure speedy, swift and safe transit of cars and all other vehicles at the desired destination.

Our specially designed car carriers offer cautious transportation of car to places all across India.

We ensure safe and smooth transfer of your car to your doorstep.

Services

HOME RELOCATION SERVICE

Household shifting is a very hectic and chaotic process. But we have made it very simple and easy.

We handle everything from packing of household items like TV, Furniture, Electronic Items, kitchenware, glass items to loading and unloading them at the final destination in perfect condition without causing any damage.

OFFICE RELOCATION SERVICE

We help companies to shift their offices from one location to another location even internationally.

Our Office relocation service will help to relocate your business to the new place with complete peace of mind without too much interruption in your business. We assure your business is moved quickly, efficiently and cost effectively with minimizing downtime while maximising productivity.

COMMERCIAL SHIFTING SERVICE

We provides comprehensive solution to various commercial shifting situations such as Industrial Goods Shifting, Exhibition Shifting, Office Shifting, Shop Shifting, Showroom Shifting and Factory Shifting etc. Our aim is to deliver the products in absolutely flawless condition swiftly and smoothly. Ranging to packing to finally arranging the goods at the desired destination.

AIR & SEA CARGO-INTERNATIONAL RELOCATION

For making a smooth international move, we conduct relevant research on import and export etiquettes of country where goods are to be moved and thus, accordingly prepare requisite overseas shipments. Your possessions come in a variety of shapes and weights. That's why we make use of wide range of qualitative materials for packing, besides our ability to deliver the right product at the right place in the right condition at the right price.

The core packaging materials include corrugated boxes (for books, crockery, etc.), corrugated rolls, bubble wraps, tissue papers, thermocol, corners, crates/case, etc. to protect your possessions from any external or internal harm even during transportation across borders. We use packing materials depending upon the type of item to be packed.

Modes of Transportation - By Air & By Sea (Door & Port Delivery)

Services

WAREHOUSING SERVICE

We offer solutions to meet the varied warehousing needs. Goods can be stored for short or long time at our warehouse. All the goods are palletized and systematically marked for identification. The arrangement is convenient and can be accessed anytime. You can store commercial and industrial goods and consignments for very long duration at a reasonable price and in efficient manner.

ESCORT SERVICE

Our aim is to deliver the products in an absolutely flawless condition. To prevent the household effects from any kind of haphazard, one of our team member would accompany the vehicle till it reaches the final point. It also enables us to keep a close watch on a movement of your goods. Our mission is to provide our customers a service of excellence at a world-class level based on honesty and dedicated work practice.

TRANSIT INSURANCE SERVICE

Understanding the value of each and every single possession of our customers, we strive hard to maintain their safety. We facilitate you with the value added insurance management service. In the event of unforeseen contingencies, items can get damaged. To protect your possessions during the movement make sure you get your effects insured with our insurance management service where we offer Declared value Protection of your goods.

VALUE ADDED SERVICE

We understand at your new home you will require a lot of help with regards to Electrician, Carpentry, Plumbing etc and we can offer you those services if you inform us at the time of booking your request.

Network

In order to serve our clients in a prompt and efficient manner, we have developed a wide network spread across India to relocate goods easily to any city. We have professional abilities and experience to handle all relocations with the help of our strong network that ensures safe delivery of goods to its destination.
